NOTES

- Modules with codes beginning with MA or QF are offered by the Department of Mathematics. Modules with codes QF5xxx are offered exclusively to students in the Master of Science in Quantitative Finance programme.
- Modules with codes beginning with EC or ECA are offered by the Department of Economics.
- Modules with codes beginning with ST are offered by the Department of Statistics and Applied Probability.

Continuation Requirement

A student will be issued a warning for any semester in which his/her CAP falls below 3.00.

If in the following semester, the student's CAP again falls below 3.00 but is above 2.50, he/she will be placed on probation.

The candidature of a student may be terminated if he/she obtains the following:

1. A CAP of less than 2.50 for two consecutive semesters;
2. A CAP of less than 3.00 for three consecutive semesters.

CAP for continuation is computed based on all modules read (be it pass or fail).
