Doctor of Philosophy (PhD) in Mathematics

AT NUS MATH, YOU WILL

- Pursue graduate studies in a Department that is ranked among the best in Asia in mathematical research.
- Work with prominent researchers in major research themes such as Dynamical Systems, Geometry & Topology, Mathematical Logic & Theoretical Computer Science, Representation Theory & Automorphic Forms, Imaging & Vision Science, Mathematical Finance and Mathematical Economics, Numerical Analysis & Scientific Computing, and Optimization.
- Interact with faculty members and renowned visiting mathematicians at colloquia and seminars held throughout the year.
- Participate in overseas research attachments and conferences with financial support.

JOB PLACEMENT of RECENT GRADUATES

- Postdocs and faculty positions at leading universities worldwide including University of Oxford (UK); University of Wisconsin-Madison, University of Maryland-College Park (USA); CNRS, INRIA (France); University of Vienna (Austria), Wuhan University, Shanghai University of Finance and Economics (China).
- Research Scientists at leading institutes worldwide such as Chinese Academy of Sciences (China); Temasek Laboratories, A*STAR institutes such as IHPC, Bioinformatics Institute (Singapore).
- Quantitative Analysts and Risk Managers at leading companies worldwide including ANZ Bank, Barclays, Credit Suisse, Deutsche Bank, DBS Bank, JP Morgan, Nomura, Standard Chartered Bank, UBS AG.

ADMISSION REQUIREMENTS

- Minimum 4-year Honours degree (or its equivalent) in mathematics or in a related area with strong mathematics training.
- Evaluation criteria include academic records and references, and undergraduate research experiences (if any). Admission is on a competitive basis;
- TOEFL/IELTS for foreign applicants whose native tongue or medium of instruction is not English;
- GRE (general test) for all foreign applicants.

COURSE STRUCTURE

- Pass PhD Qualifying Examination within first 24 months;
- Pass English course offered by NUS;
- Pass a prescribed list of modules;
- Maintain minimum Cumulative Average Point of 3.5 (out of 5.0) (‘B’ grade on average);
- Complete a thesis and oral defense to the satisfaction of the examination panel;
- Complete the above requirements within 5 years (maximum candidature).

PhD SCHOLARSHIP

- Full tuition waiver plus S$2000/2500 stipend per month before/after PhD Qualifying Examination (on a competitive basis).

TO APPLY

- Via online portal or using normal application forms. Details available at http://www.math.nus.edu.sg/graduates.aspx
- Deadlines: All required documents to reach us by 15 November/15 May, for admission in the August/January term of the following year.

EARLY ADMISSION OFFER!

- Applicable to outstanding students from leading regional universities.
- Interview at your own university.
- TOEFL and GRE requirements may be waived.
- To enquire, please send your CV and university scripts, class ranking information (if available), with the subject title: CV and transcripts, to AskMathPG@nus.edu.sg.
