

Curriculum Vitae

Name: Min DAI

Present Appointment: Professor

Contact Information:

Dept of Mathematics

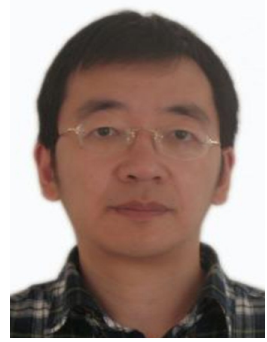

National University of Singapore

10, Lower Kent Ridge Road

Singapore 119076

Office: S17-08-20; Tel: 65162754

Email: matdm@nus.edu.sg

Research Areas:

- Financial Mathematics

Teaching Areas:

- Financial Mathematics, Partial Differential Equations, Numerical Methods

Academic/Professional Qualifications:

- PhD (2000) Fudan University

Awards/Honours (Post-PhD):

- Post-doctor, Institute of Mathematics, Peking University (Oct 2000- May 2002)

Career History:

- Lecturer (Jun 2002 - Aug 2003) and Associate Professor (Sep 2003 - Jul 2004), School of Mathematical Sciences, Peking University
- Assistant Professor (Jul 2004 - Dec 2009) and Associate Professor (Jan 2010 - Jun 2013), Professor (July 2013 - present), Department of Mathematics, National University of Singapore

Administrative Leadership:

- NIL

Professional/Consulting Activities:

- Associate Editor for Journal of Economic Dynamics & Control (Jan 2010-present); Associate Editor for Asia-Pacific Journal of Operational Research (Jun 2012-present)
- Reviewer for Mathematical Finance, Quantitative Finance, SIAM on Numerical Analysis, Journal of Economic Dynamics & Control, etc.
- Affiliated Member, Centre for Quantitative Finance, Risk Management Institute and Institute of Real Estate Studies, NUS

Major Publications (Maximum of 3):

- Journal of Economic Theory (2011), 146, 1598-1630. (with H.Q. Jin and H. Liu)
- Journal of Differential Equations (2009), 246, 1445-14 (with F.H. Yi)
- Mathematical Finance (2008), 18(4), 595-611 (with Y.K. Kwok and J. Zong)
